

The public is invited to an availability and poster session regarding the **Eastern Diversified Metals (EDM) Superfund Site**. The public availability session is an informal opportunity for EPA representatives to talk to individuals on a one-on-one basis about the EDM Site's Remedial Design.

EPA Public Availability and Poster Session

- When: **Thursday, July 20, 2006**
Between 6:00 p.m. -- 9:00 p.m.
- Where: Hometown Fire Company
located at 45 Mahoney Avenue (Route 54)
Tamaqua, PA 18252
- Who: U.S. Environmental Protection Agency
representatives
- Why: The EDM Site Remedial Project Manager (RPM) will be available to discuss the finalization of the Remedial Design and to talk with individuals who have questions or concerns about the project.

There will be no formal presentation, so please come at your leisure during the hours announced if you have questions or would like information about the EDM Site Remedial Design.
